- 9. Authorisation to acquire the Company's treasury shares**
On 20 June 2016, the company's Ordinary Annual General Meeting granted the Board the authority to acquire treasury shares. The Board of Directors believes that the acquisition of the Company's treasury shares may be right for the Company with a view, inter alia, to improve the shareholders' return. The Board of Directors proposes this authorisation to be renewed. This also assures the company greater financial flexibility. The acquisition of the Company's own shares can for example be relevant in a situation

where the Company's equity and liquidity situation is good, while at the same time there is a limited supply of attractive investment opportunities.

The Board of Directors therefore proposes that the Annual General Meeting passes the following resolutions:

- a) *The Board of Directors of I.M. Skaugen SE is hereby granted authorisation to acquire on behalf of the Company up to 2,708,852 of the Company's treasury shares with a total nominal value of NOK 40,632,789 corresponding to 10 per cent of the Company's current share capital.*
- b) *The highest price that may be paid per share is NOK 200.00 and the lowest price is NOK 1.00.*
- c) *The acquisition and disposal of the Company's treasury shares may be carried out as deemed appropriate by the Board of Directors - not, however, by subscription for the Company's treasury shares.*
- d) *The authorisation shall remain in force until the next Ordinary Annual General Meeting*
- e) *This authorisation replaces the prior authorisation for acquiring treasury shares, granted in the Ordinary Annual General Meeting of 20 June 2016.*

The authorisation is to be registered in the Register of Business Enterprises.

10. Authorisation to increase the share capital

On 20 June 2016, the company's Ordinary Annual General Meeting granted the Board the authority to increase the share capital with up to NOK 40.632.789 corresponding to 10 % of the company's share capital. The Board of Directors proposes that this authority is renewed by giving the Board of Directors authorities to increase the share capital with up to NOK 40.632.789 corresponding to 10 % of the company's current share capital. It is proposed that the Board of Directors shall decide when to execute the authorisation, and in such regard, also set the subscription price.

The Board of Directors therefore proposes that the Annual General Meeting passes the following resolutions:

- a) *Pursuant to the SE Act section 2, cf the Public Limited Companies Act section 10-14, the Board of Directors of I.M. Skaugen SE is authorised, on behalf of the Company, to increase the share capital with up to NOK 40.632.789*
- b) *The shareholders' preferential right to new shares pursuant to the SE Act section 2, cf the Public Limited Companies Act section 10-4 may be deviated.*
- c) *The Authorisation also comprises increase of share capital with other assets than monetary assets.*
- d) *The Authorisation comprises increase of share capital by merger pursuant to the SE Act section 2, cf the Public Limited Companies Act section 13-5.*
- e) *The Authorisation remains in force until the next Ordinary Annual General Meeting.*
- f) *This authorisation replaces the prior authorisation for increasing the share capital granted in the Ordinary Annual General Meeting of 20 June 2016 from the date and time it is registered.*

The authorisation is to be registered in the Register of Business Enterprises.
